So I went to the potter's house, and sure enough, the potter was there, working away at his wheel. Whenever the pot the potter was working on turned out badly, as sometimes happens when you are working with clay, the potter would *simply start over* and use *the same clay* to make another pot. Jeremiah 18: 3-4

Have you ever messed something up you were painting or drawing or crafting? I messed up when I was drawing this picture, can you make this splotch into something?
